

## Essential Reading from Cambridge

### The Cambridge Encyclopedia of Latin America and the Caribbean Second Edition

*Simon Collier, Thomas E. Skidmore, and Harold Blakemore, Editors*

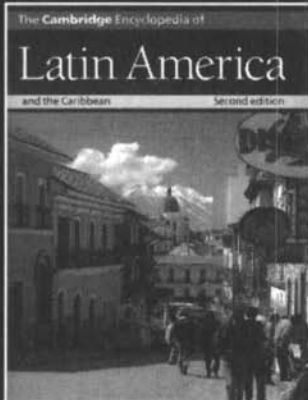

"An impressive achievement. It is an admirably broad but detailed presentation of the region's evolution and current profile, an attractive and informative book of considerable value to the interested general reader."

—*Times Literary Supplement*

"Comprehensive, authoritative, and accessible, this one-volume encyclopedia should become the standard reference for a broad overview of the region." —*Library Journal*

250 photographs, 125 in color 70 maps  
1992 480 pp. 41322-2 Hardcover \$55.00

Now in paperback..

### **Aztecs**

An Interpretation  
*Inga Clendinnen*

"A fascinating, imaginative and highly evocative reconstruction of life in Tenochtitlan.... This is an outstanding book, as rich in its reconstruction of social details as in its lurid analyses of the 'interior architecture' of the Aztec world. Reaching simultaneously into the lives of the Mexica and the blurred, hallucinatory spaces of their rituals, Clendinnen makes a wonderfully informative and illuminating contribution to our understanding of Aztec society."

—*Times Literary Supplement*

20 illustrations 2 maps  
406 pp. 44695-3 Paperback \$17.95

### **Popular Mobilization in Mexico**

The Teachers' Movement, 1977-87  
*Joe Foweraker*

This book explores the process of popular political mobilization in contemporary Mexico through the experience of the country's most important popular organization—the teachers' movement. The first in-depth study of a popular movement anywhere in Latin America, the book uncovers the motivations and mechanisms of popular mobilization and shows how such mobilization both influences and is influenced by national politics.

1993 217 pp.

# POWER & POLITICS

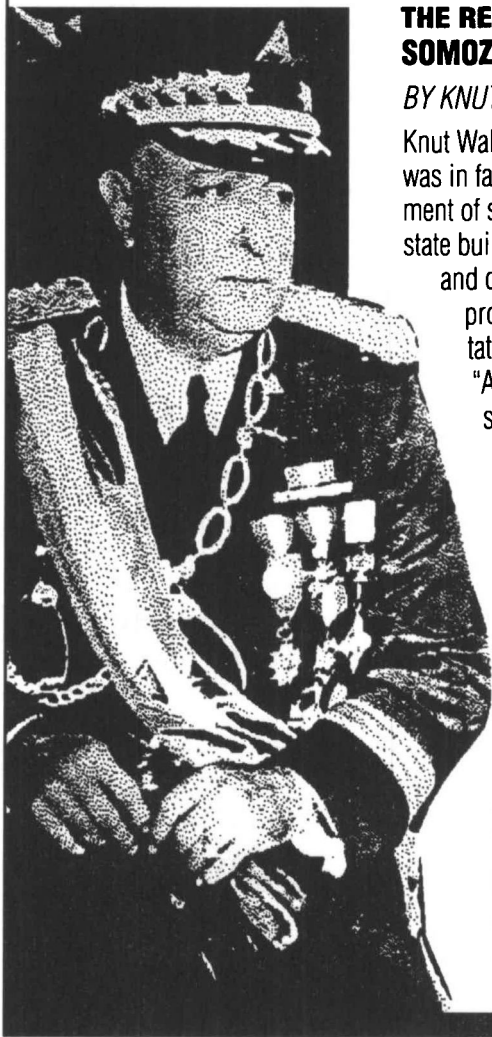

## **POLITICAL PARTIES AND GENERATIONS IN PARAGUAY'S LIBERAL ERA, 1869–1940**

BY PAUL H. LEWIS

Paul Lewis presents a pattern of evolution in Paraguayan politics despite a succession of administrations, political machines, and governmental systems. "A groundbreaking contribution. . . . Paul Lewis's research is meticulous, and this work is indispensable for any student of modern Paraguay."

—Jerry W. Cooney, University of Louisville

244 pp., \$37.50

## **THE REGIME OF ANASTASIO SOMOZA, 1936–1956**

BY KNUT WALTER

Knut Walter argues that Somoza's regime was in fact more notable for its achievement of stability, economic growth, and state building than for its personalistic and dictatorial features. This book provides a case study in how dictators hold power and do business. "A complete and balanced description of Somoza's long rule.

. . . [The book] is a significant contribution to both Latin American history and political science."—R. L. Woodward, Jr., Tulane University

324 pp., \$49.95 cloth,

## **The University System and Economic Development in Mexico**

*David E. Lorey*

This economic and social history of the relationship between the university system and development in Mexico uses original quantitative data on the graduates of all Mexican universities in a dozen major fields since 1929 to determine whether the Mexican university is in crisis. \$39.50

## **Policing Rio de Janeiro**

REPRESSION AND RESISTANCE IN A NINETEENTH-CENTURY CITY

*Thomas H. Holloway*

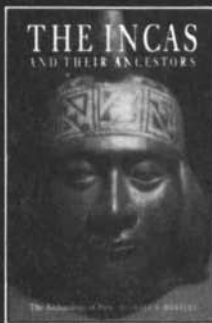

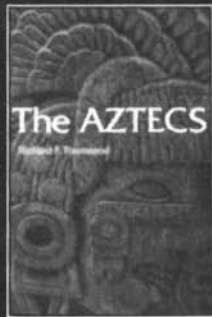

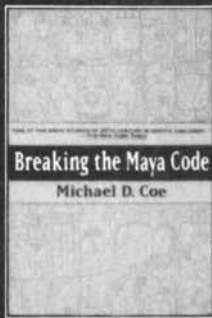

The author shows how the historical development of the police of Rio de Janeiro was part of a general transition from the traditional application of control through public hierarchies to the modern exercise of power through public institutions. \$45.00

# Origins of Modern Mexico

## **Mexico and the Survey of Public Lands**

The Management of Modernization, 1876–1911

*Robert H. Holden*

This first comprehensive study of Mexico's greatest single movement of public property sheds new light on the relationship between the state and the survey companies that divided the lands. Basing his study on archival sources, Holden details the conflicts between private and public interests, examines the state's motivation for using private companies, and investigates the generally accepted claim that the companies were the instruments of a land-hungry elite. His conclusions challenge long-held assumptions about Mexico's management of the public land surveys.

**NEW IN PAPERBACK**  
**DEBT AND CRISIS IN  
LATIN AMERICA**

The Supply Side of the Story

**ROBERT DEVLIN**

"[This] substantial study argues that Latin America's debt crisis of the 1980s and the resulting regionwide recession are owed largely to the role of commercial banks, which overexpanded credit and then overcontracted when the region's liquidity problems became evident."

—Abraham Lowenthal, *Foreign Affairs*

"Offers an excellent analysis of the factors that contributed to the chronic borrowing by Latin American countries in the 1970s and the consequent run-up in the international debt to its present heights."

—Patrick Conway, *Latin American Research Review*

## NOTES FOR CONTRIBUTORS

The *Journal of Latin American Studies* is published three times a year, in February, May and October. Its editorial offices are located in the Institute of Latin American Studies, University of London. The editorial board includes representatives of the Centres or Institutes of Latin American Studies in the Universities of Cambridge, Essex, Glasgow, Liverpool, London and Oxford.

The scope of the Journal is the study of Latin America from the standpoint of the social sciences (including history and international relations). Articles on literature and the arts are not normally included, but the editors are pleased to consider contributions in the field of intellectual and cultural history. Articles with an inter-disciplinary approach are particularly welcome.

Contributions are invited from all parts of the world. Articles should generally not be more than 8000 words long. Two copies typed with double spacing should be submitted. A style sheet is available from the editors. The Journal is published in English, but articles may also be submitted in Spanish or Portuguese; if the article is accepted, translation into English will be the responsibility of the author. Tables, diagrams and maps may be included by arrangement with the editors. The Journal only publishes original contributions; translations of articles already published will not be accepted. Each contributor will receive, free of charge, 25 offprints of the article and a copy of the issue of the Journal in which it appears.

The Journal publishes book reviews in each issue. Not all books received can be reviewed and editorial policy gives preference to substantial reviews of books regarded as of major importance for the disciplines covered by the Journal.

All contributions and editorial correspondence should be addressed to *Journal of Latin American Studies*, Institute of Latin American Studies, 31 Tavistock Square, London, WC1H 9HA.
