Lluís Pons Pujol

doi: <https://doi.org/10.1017/S1047759422000022>

In the original publication of this book review (Pons Pujol 2022), an error introduced during proof corrections resulted in a misspelling of the title of the book under review. The correct title of the book by M. L. Caldelli is *I prefetti dell'annona da Augusto a Costantino*.

The publisher apologizes for the error. The book review has since been corrected.
