An error introduced during the production process resulted in the following misstatement: “The explanations provided for this conflict and the Triple Alliance War (35–36, 69) are plagued with errors, for example, the identification of the Argentinean president during the latter conflict as Bartolomé Mitre instead of Justo J. Urquiza (whose name is misspelled).”

The corrected sentence should read: “The explanations provided for this conflict and the Triple Alliance War (35–36, 69) are plagued with errors, for example, the identification of the Argentinean president during the latter conflict as Justo J. Urquiza (whose name is misspelled) instead of Bartolomé Mitre.”
