## Join the APSA Experts Database

APSA members can sign up to be included in our Experts Database to connect with media requests for professionals in all areas of political science.

As part of the APSA Public Engagement Program, the experts database promotes dialogue between political scientists and the public to foster better understanding of political science and share insights from the discipline with broad audiences. APSA's public engagement program supports political scientists with resources, training, and opportunities to share their research. APSA highlights members' media interviews, blogs, and op-eds in the weekly press gallery series available on [www.politicalsciencenow.com](http://www.politicalsciencenow.com).

## Find a Mentor or Become a Mentor

The **APSA Mentoring Program** is an opportunity for all political scientists to network and share experience, advice and insights about career planning, scholarship, and a variety of professional issues such as:

- **Selecting a dissertation committee**
- **Publishing and research**
- **Non-academic careers**
- **Life as junior faculty member**
- **Balancing family and work**

APSA seeks mentors that provide professional advice to undergraduates, graduate students, and junior faculty in the profession, specifically in non-academic careers and international relations, and to mentor Ralph Bunche Scholars (RBSI) and/or APSA Minority Fellows (MFP).

### Matching Process

APSA accepts mentor requests for short-term (one semester) and long-term (one academic year) mentoring. However, matched mentors and mentees are encouraged to continue the relationship beyond the official APSA mentoring period if they find it mutually beneficial.

The APSA staff makes mentor matches twice a year: once at the beginning of the fall semester (for short term and long term matches) and once at the beginning of the spring semester (for short term matches). Matches are made first-come, first-served based on suitability of the match profile and mentor availability.

Apply today! Submit an online application to become or request a mentor at [www.apsanet.org/mentor](http://www.apsanet.org/mentor).
