### NOTES FOR CONTRIBUTORS

Articles for the *Scottish Journal of Theology* **must** be submitted on disk as well as in hardcopy.

Submission of an article is taken to imply that it has not previously been published in English, and is not being considered by another journal for publication in English. In the interests of authors, copyright is normally assigned to the publisher. **The length of an article may not exceed 5,000 words.**

While notification of acceptance or rejection will be given, rejected contributions (disk and hardcopy) will not be returned. It is assumed that authors retain copies of all articles or reviews submitted.

In the first instance three copies of each article should be submitted in hardcopy with an accompanying disk to The *SJT* Production Manager, T&T Clark Ltd, 59 George Street, Edinburgh EH2 2LQ, Scotland, U.K. If it is accepted, editorial suggestions (if any) will be sent to the author for incorporation, after which the revised disk together with one revised hardcopy should be returned to the publisher for publication.

All contributions (articles and reviews) should be submitted in double spacing, with endnotes in single spacing. Cross references within an article should not be included.

Notes for editors and instructions for the printer should be submitted along with the manuscript on separate sheets. First proofs of articles (but not of reviews) will be sent to authors for correction, and must be returned within ten days of receipt. Corrections should be confined to typographical errors. Other corrections may be made only with the concurrence of the editors.

Contributions from North America may use North American spellings. Greek and Hebrew words, which should be used sparingly, need not be transliterated. Capitalisation should be kept to a minimum, and in particular should not be used in pronouns referring to God. The editors reserve the right to make minor alterations in the text in accordance with their established editorial practice.

Contributors of articles and of article reviews (but not of reviews) receive one copy of the journal in which their article appears without charge. Extra copies may be ordered at half price from the publisher.
