### BOOK REVIEWS

Suggestions of books to be reviewed should be emailed to the Book Review Editor:

Sue Tolleson-Rinehart  
University of North Carolina  
[suetr@unc.edu](mailto:suetr@unc.edu)

### MANUSCRIPT PREPARATION

- Manuscripts must be no longer than 30 pages including text, tables and figures, references and appendices. The entire manuscript (including notes and references) must be double-spaced, with one-inch margins and 12-point font, and printed on one side of the page only.
- The author must include a separate title page, with his or her full contact information (including email address, telephone number and institutional affiliation), and a brief biographical statement. All identifying information must be removed from the manuscript.
- A second page must include an abstract of no more than 200 words.
- Placement of tables or figures should be cited in the text. The publisher will be responsible for placing artwork, tables or figures, as well as converting endnotes to footnotes.
- Appendices, tables, and figures should be numbered consecutively throughout the article and be included on separate pages appearing after the reference section. Figures

should be ready for photographic reproduction; they cannot be redrawn by the publisher. Charts, graphs, or other artwork should be professionally rendered or computer generated. Photographs should be clearly printed and should remain legible after a 50% reduction.

- References and notes should conform to the APSA Style Manual. Authors should include full volume, issue, and page numbers for references. Author's acknowledgments or other personal notes will appear as an unnumbered note at the foot of the page. Notes should be numbered consecutively throughout the article. Numbered notes should appear at the end of the sentence. If multiple texts are cited in a sentence they should appear as one consolidated note at the end of the sentence.
- Endnotes should be employed (rather than footnotes).
- All figure captions should be typed on a separate page (or pages), rather than on the figures themselves (which are camera-ready art) so that they can be copyedited.

Originality and copyright: Papers with multiple authors are reviewed with the assumption that all authors concur with its submission. A Copyright Transfer Agreement, with certain specified rights reserved by the author, must be signed and returned to the Editor by senior authors of accepted manuscripts, prior to publication. *Politics & Gender* does not accept manuscripts for review that are under review elsewhere, previously published or already committed for publication.

For general guidelines for preparing a manuscript for submission, please refer to the *APSA Style Manual for Political Science* (rev. ed. 2001) for citation, footnotes, references, and other style issues. Please note, in particular, the statement on gender-specific language (15).
