

## EDITORIAL NOTE

PREVIOUS issues of the *Journal* have been printed and published by the Cambridge University Press, who also handled *J.I.A.* and the *Year Book* for many years. When they asked to be relieved of the responsibility for these publications it was agreed that they should continue with *J.S.S.* until Volume 17 had been completed.

The Editors of *J.S.S.* wish to associate themselves warmly with the grateful appreciation already expressed to the Cambridge University Press by the Editors of *J.I.A.* and the *Year Book*.

Production of *J.S.S.*, like that of *J.I.A.* and the *Year Book*, is now in the hands of The Alden Press (Oxford) Ltd.
