**we mean
service**

and this, you are quick to realize. It is pleasant to find out that there can be more in banking service than conventional courtesy and routine efficiency. It is something that eludes definition, it is the ability to make you feel you are among friends, that eagerness to please you, to understand and even to anticipate your wishes and try hard to fulfil them. It is the kind of service you enjoy when you bank with us.

for better service
