*"Rexham is clearly a leader in pilot coating services. This is a state-of-the-art facility, staffed with some of the best technical people I've met."*

**Dr. Chi W. Chiu**  
Research Associate  
Du Pont Imaging Systems

**B**ring your next project to the industry's most advanced pilot coating facility.

- Solvent, aqueous, and U.V. coating
- Multiple coating methods
- Class 100 clean room
- On-line thickness measurement
- Up to 32" web width
- Real-time data logging
- In-line corona treatment
- Extensive analytical support

From product development to full-scale production, we provide the custom services you need to be more competitive and profitable. Call toll free or fax for detailed information.
