OUTSTANDING YOUNG INVESTIGATOR AWARD

The MRS Outstanding Young Investigator Award is intended to recognize outstanding, interdisciplinary scientific work in materials research by a young scientist or engineer. The awardee must also show exceptional promise as a developing leader in the materials area.

The Award

The 1997 award will consist of a \$3,000 cash prize, a presentation trophy bearing a brief citation, and a certificate. Reasonable travel expenses to attend the Materials Research Society Spring Meeting at which the award is presented and the meeting registration fees will be reimbursed.

The Nomination Summary Form is available from MRS Headquarters, 9800 McKnight Road, Pittsburgh, PA 15237-6006; 412-367-3003; fax 412-367-4373.

Deadline: October 1, 1996

For more information contact the address above or view the MRS Homepage at <http://www.mrs.org/awards/OYI.html>.
