ANNOUNCING AN IMPORTANT HAFNER REPRINT

Sir John Edwin Sandys (1844-1922)

A HISTORY OF CLASSICAL SCHOLARSHIP

From the 6th Century B.C. to the 19th Century

3 volumes—cloth (Vol. 1 in 3rd ed. 1921), \$25.00. Originally published in 1908, ready about August 1958.

This standard work has been unobtainable for many years. We are now reprinting it by arrangement with the Cambridge University Press. The edition will be strictly limited.

"Sandys' greatest book was undoubtedly the 'History of Classical Scholarship', which he began in 1900, and finished in 1908, although a book of such magnitude and learning might well have been the life-work of an ordinary man. The three volumes embrace the history of all scholarship from the 5th Century B.C. to the year of publication. They are not only marked by great erudition, but are eminently readable, and likely to interest many who are outside the circle of classical scholars." (D. N. B.)
