

ANNOUNCEMENT

INTERNATIONAL CONFERENCE ON TROPICAL ENTOMOLOGY NAIROBI, KENYA

31 AUGUST–5 SEPTEMBER 1986

The International Centre of Insect Physiology and Ecology (ICIPE), in Nairobi, Kenya, on behalf of the Council of International Congresses of Entomology, is hosting a “Conference on Tropical Entomology” in Nairobi from 31 August to 5 September 1986.

The Scientific Programme will include plenary sessions, symposia, contributed papers and poster sessions covering the following areas with emphasis on tropical entomology:

- Taxonomy, morphology and evolution
- Behaviour and physiology
- Ecology and population dynamics
- Developmental biology and genetics
- Integrated pest and vector management methods
(including chemical control)
- Agricultural entomology
- Vector biology
- Information, education and training

A social programme will include safaris to game parks and visits to cultural centres of Kenya.
