The use of art sales catalogues has been facilitated by the impressive four-volume reference work, *Répertoire des catalogues de ventes publiques intéressant l'art ou la curiosité*, created by Frits Lugt. IDC Publishers has combined the strengths of art sales catalogues and Lugt's *Répertoire* in their new publication: *Art Sales Catalogues Online*. IDC Publishers offers online access to thousands of full text catalogues from the period 1600-1900.
