The University of Calgary **HEAD, DIVISION OF NEUROSURGERY**

The University of Calgary Department of Clinical Neurosciences invites applications for a full-time academic position as Head, Division of Neurosurgery, to be based at one of three affiliated teaching hospitals. The Division currently has eight neurosurgeons and has significant potential for development.

This position requires an experienced, energetic Neurosurgeon with demonstrated leadership skills to initiate new academic ventures. The successful applicant must be a certified specialist in Neurosurgery and licensable in the Province of Alberta, and have a solid record of academic productivity.

In accordance with Canadian immigration requirements, priority will be given to Canadian citizens and permanent residents of Canada. The University of Calgary has an Employment Equity Program and encourages applications from all qualified candidates, including women, aboriginal people, visible minorities, and people with disabilities.

Please send a curriculum vitae and the names of three referees by March 1, 1992, to:

Dr. T.E. Feasby Professor and Head Department of Clinical Neurosciences The University of Calgary 1403 - 29 Street N.W. Calgary, Alberta T2N 2T9
