CANADIAN COMMITTEE ON LABOUR HISTORY

LABOUR/LE TRAVAIL

Journal of Canadian Labour Studies

Labour/Le Travail began publishing in 1976, and has carried many important articles in the field of working-class history, industrial sociology, labour economics, and labour relations. While most articles have a historical perspective on Canadian workers, the journal is interdisciplinary in scope.

The journal also features documents, conference reports, an annual bibliography of materials in Canadian labour studies, review essays, and reviews. While the main focus of the journal's articles is Canada, the review essays and reviews consider international work of interest to Canadian labour studies.

Many of *Labour/Le Travail's* articles are illustrated and each issue is book length, averaging 350+ pages. For a complete listing of volumes and articles, and to order online, visit the journal's website at www.cclh.ca
