

Journal of Political Economy

www.journals.uchicago.edu/JPE

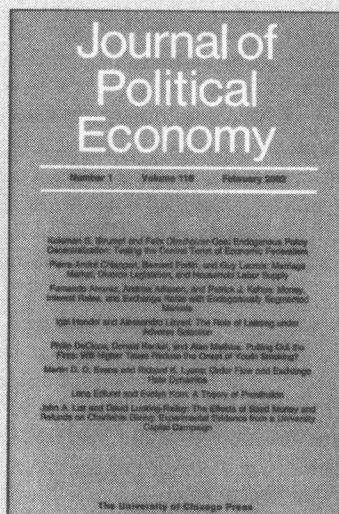

Edited by Fernando Alvarez,
Pierre-André Chiappori, John H.
Cochrane, Steven D. Levitt, Robert E.
Lucas, Jr., and Robert Topel

Focus and Scope

Since 1892, the *Journal of Political Economy* has been publishing analytical, interpretive, and empirical studies in traditional areas of economics—monetary theory, fiscal policy, labor economics, planning and development, micro- and macroeconomic theory, international trade and finance, and industrial organization—as well as in interdisciplinary fields such as the history of economic thought, law and economics, and social economics.

History and Leadership

The *Journal of Political Economy* “has acquired an excellent reputation and is one of the top three journals in the field,” according to *Magazines for Libraries*. *JPE*’s longevity is an indication of the confidence that scholars place in this fully peer-reviewed publication. The distinguished editorial leadership of *JPE* is your assurance for high quality scholarship and broad yet comprehensive coverage of economics. Your subscription includes access to **both paper and electronic editions of *JPE***.

“Non-Germans” under the Third Reich

*The Nazi Judicial and
Administrative System in
Germany and Occupied
Eastern Europe,
with Special Regard to
Occupied Poland,
1939-1945*

DIEMUT MAJER

*translated by Peter Thomas Hill,
Edward Vance Humphrey,
and Brian Levin*

“An exhaustive analysis of the numerous legal and executive provisions and practices applicable to ‘Fremdvölkische.’ I consider it the only scholarly work of this nature that addresses all of the people concerned and the treatment they received from the Nazi authorities.”—Walter O. Weyrauch, University of Florida

From reviews of the German edition:

“There has not been such a comprehensive presentation of the Third Reich’s legal system before, and it will be a long time before another—written by a single author—appears.”—*Juristen-Zeitung*

“It is to be hoped that discussion of this encyclopedic work will not be limited to jurists and scholars of contemporary history. Some sections should be read and studied in courses on history and politics.”—*Süddeutsche Zeitung*

“This work is meant to contribute to the investigation of the National Socialist system of injustice. The author has succeeded brilliantly in doing so.”—*Gemeinsames Ministerialblatt*

“Here is a work that is outstanding both in the wealth of materials that went into its making and in its precision of exposition. It is not a collection of regulations, but rather a critique based on the pertinent materials. As sober and honest as could be.”—*Stuttgarter Zeitung*

Published in Association with the United States Holocaust Memorial Museum

1,088 pages

\$149.95 hardcover

The Rule of Law in America

RONALD A. CASS

“This is the best treatment I have seen of this much-invoked, but inadequately explored concept.”—Mary Ann Glendon, Harvard Law School

“This is a wonderful book. Written in a lucid style and laced with witty observations, *The Rule of Law in America* is immensely readable. It is also a timely and important book. Dean Cass is no misty-eyed cheerleader of the current legal system, but neither is he a cynic. He has provided a clear, levelheaded, and balanced account of both the meaning of the rule-of-law ideal and its status in the United States at the end of the twentieth century. This book is a truly impressive achievement and deserves to be widely read.”—Gregory S. Alexander, Cornell Law School

“An effective and timely affirmation of the continuing force of the rule of law in the U.S.”—*Choice*

232 pages
