## Shadow Rulemaking: Governing Regulatory Innovation in the EU Financial Markets – ERRATUM

Heikki Marjosola

<https://doi.org/10.1017/glj.2022.16>. Published by Cambridge University Press on behalf of the *German Law Journal*, 23 March 2022.

**Keywords:** Regulatory innovation; Governance; Soft law; European supervisory authorities; EU law

The author of this article (Marjosola, H., 2022) provided an acknowledgment containing funding information that was inadvertently excluded from the final version during the editing process.

This article has been updated with a footnote to correct this error. The acknowledgment is below and we issue this erratum for the sake of transparency in the scholarly record:

I gratefully acknowledge the valuable feedback received at the 57th London-Leiden Meeting (University of Leiden, 30 June 2018) and at the SoLaR Workshop (King's College, 7 December 2017) where I presented the preliminary ideas of this article. I would also like to thank Professor Niamh Moloney and Professor Carl Fredrik Bergström for their helpful and encouraging comments. The research has received funding from the Swedish Research Council (Vetenskapsrådet) funded project No 2016-01596 (A Centralization of Rulemaking in Europe? The Legal and Political Governance of the Financial Market).
