LIVING WITH GOD

J. M. Perrin, O.P.

A new assessment of the implications of being a Christian in the modern world. Fr Perrin shows that side by side with difficulties life today offers a tremendous challenge and opportunity for living and spreading the faith.

10s. 6d.

HEARING CONFESSIONS

Desmond Schlegel, O.S.B.

A short summary of the principles and practice of *hearing* confessions which will enlighten (and possibly startle) many lay people who have never really thought about the priest's part in the sacrament of penance.

2s. 6d.

PRAYER AND ALL THAT

S. M. Laurence, O.P.

A book on prayer by someone who frankly admits that she is 'an amateur—still learning'. Written in ordinary, non-technical language for the Catholic who is no theologian but who is ready to listen to advice on what prayer is (and isn't) and when, where and how to pray.
