

Area Studies

Books and Journals from
Cambridge University Press

Cambridge has a vibrant programme of books and journals spanning all geographical areas of the world.

We publish prestigious book series and stand-alone titles that analyse regions through a variety of disciplines in both the humanities and social sciences, ranging from politics, economics and history through to anthropology and religion.

Our multi- and interdisciplinary journals regularly achieve high Impact Factors and lead their respective fields.

History

Books and Journals from
Cambridge University Press

History is the largest single subject area for the Press. It is a programme with both depth and breadth, ranging in subject matter from late antiquity to the present day, international in scope and embracing new approaches.

Our publishing includes major reference series, textbooks and monographs, as well as a collection of distinguished journals affiliated to the world's leading scholarly societies.

Together, they reflect the diversity of the discipline and offer an unmatched resource for today's historians.
