

MRS reports election results for 2013

www.mrs.org/governance

Members of the Materials Research Society have elected a Vice President (who will serve as President in 2014) and five directors to join the 2013 MRS Board of Directors. The Board is composed of the officers and 12 to 21 directors, established by Board resolution.

The officers of the Society are the president (who serves as chair of the board), the vice president (who is also the president-elect), the secretary, the treasurer (a position appointed by the Board of Directors), and the immediate past president. Terms of office expire at the end of the year indicated in parentheses. The asterisk (*) designates those who are newly elected. The annual election ended October 9, 2012.

The Board of Directors is organized into the following governing committees: Audit, External Relations, Finance, Governance, Nominating, Operational Oversight, and Planning. Chairs and members of the committees are either designated by policy or are appointed by the president.

2013 MRS Officers

President Orlando Auciello University of Texas at Dallas

Immediate Past President **Bruce M. Clemens** Stanford University

Vice President (President-Elect) *Tia Benson Tolle The Boeing Company

Secretary Sean J. Hearne Sandia National Laboratories

Treasurer

Michael R. Fitzsimmons Los Alamos National Laboratory

2013 Board of Directors

Ana Claudia Arias (2013) University of California–Berkeley

Shenda M. Baker (2014) Synedgen, Inc.

*David Cahen (2015) Weizmann Institute of Science

Duane B. Dimos (2013) Sandia National Laboratories

Chang-Beom Eom (2014) University of Wisconsin–Madison

Eric Garfunkel (2014) Rutgers University

*Sossina M. Haile (2015) California Institute of Technology

*Andrea M. Hodge (2015) University of Southern California

Oliver Kraft (2013) Karlsruhe Institute of Technology

Hideki Matsumura (2013) Japan Advanced Institute of Science and Technology (JAIST)

*Fiona C. Meldrum (2015) University of Leeds

*Eric A. Stach (2015) Brookhaven National Laboratory

Stephen K. Streiffer (2014) Argonne National Laboratory

Susan E. Trolier-McKinstry (2013) The Pennsylvania State University

UNIQUE IN SEVERAL WAYS, THE FOUNDATION:

- advances the MRS mission to "promote communication for the advancement of interdisciplinary materials research to improve the quality of life"
- focuses on member engagement and funding to enrich, expand and ensure MRS core programs in education, outreach and peer recognition
- leverages corporate partner, institutional and individual support to invest in projects of importance to the materials community, as defined by the materials community
- benefits a wide range of innovative grassroots, memberdriven initiatives—from student chapter proposals, to local or regional education/outreach projects, to those with the potential to impact the materials enterprise worldwide.

To learn how you can help make a difference or to apply for project funding, we encourage you to explore the Foundation website. Submission deadline for the first project grants is Friday, February 15, 2013. The inaugural grants will be awarded at the 2013 MRS Spring Meeting in San Francisco. MRS
