COMMONWEALTH INSTITUTE OF ENTOMOLOGY

Leading World Information Service
on Insects & Mites of Economic Importance

PUBLICATIONS

- **Review of Applied Entomology:** an abstract journal covering the world literature on pests and beneficial arthropods. In two monthly parts: *Series A (Agricultural)* and *Series B (Medical and Veterinary)*.
- **Bulletin of Entomological Research:** a quarterly journal of original research papers on arthropods of economic importance.
- **Distribution Maps of Pests:** giving the world distribution, with supporting references, of individual arthropod pests.
- **Books and Monographs:** on various subjects. Current list available on request.

RETRIEVAL SERVICES

- **Computerised Information Retrieval:** from the Commonwealth Agricultural Bureaux Abstracts Database, including *RAE* and all other main CAB abstract journals.
- **Annotated Bibliographies:** collections of abstracts on particular topics. Current list available on request; further bibliographies compiled to order.
- **Micrographic Unit:** facilities for most types of microform work.
- **Library:** a major world collection of research literature on arthropods of economic importance. Open to visitors.

TAXONOMIC SERVICES

- **Identification Service:** open to users in all parts of the world. Located in the British Museum (Natural History); over 30 000 insects and mites identified each year.
- **International Training Courses:** held annually in the applied taxonomy of insects and mites.
- **Consultancy:** advice on specific taxonomic problems and involvement of CIE taxonomists in research projects.

Review of Applied Entomology

prepared by the Commonwealth Institute of Entomology

A monthly abstracting journal in two parts: *Series A (Agricultural)* covering the world literature on insects, mites and other arthropods harmful to cultivated plants of every kind including forest trees, and also beneficial arthropods; *Series B (Medical and Veterinary)* covering the world literature on insects, mites, ticks and other arthropods that transmit diseases to man or livestock or cause any other form of injury to them.

Annual subscriptions: Series A £144, Series B £71.50 (£93.50 and 46.25 in member countries of the Commonwealth Agricultural Bureaux).

Further details and free sample copies from: Central Sales, Commonwealth Agricultural Bureaux, Farnham House, Farnham Royal, Slough SL2 3BN, UK.

Distribution maps of pests

Issued by the Commonwealth Institute of Entomology, London

Each of these maps (size 27 × 17 cm) gives the world distribution, together with supporting references, of a particular arthropod pest. Those at present being issued (Series A) deal with pests of importance in relation to agriculture or forestry or their products. Eighteen maps are issued each year in two batches of nine each. Up to October 1984, a total of 463 maps has been issued.

Annual Subscription for 18 maps	£21.00
Complete set (including revisions and index up to 1981)	£80.00
Loose-leaf binder (maps are punched ready for insertion)	£9.00
Single maps (min. order: UK £2, elsewhere £3)	£1.10
