

Wright, John Massey. *Illustrations to Shakespeare, small rectangle series*. Late eighteenth or nineteenth century. Folger ART Box W951 no.80 (size S)

John Massey Wright's watercolor of *Timon of Athens* was part of a series of paintings illustrating each of Shakespeare's plays, though there are only 29 works in the Folger collection. It's possible these watercolors were completed for a late 18th- or early 19th-century edition of Shakespeare, though we have no current evidence of publication.
