

Rackham, Arthur, artist. *King Henry IV, pt. 1, act V, scene 1 [graphic]*. England: unpublished, 1904? Folger ART Box R122 no.2 recto (size L)

Arthur Rackham's illustration brings a touch of fairy-tale whimsy to the rugged history of *The First Part of King Henry IV*. This depiction of Henry IV's futile attempts to convince the rebellious Thomas Percy, Earl of Worcester, to abandon war would almost look at home in *Alice in Wonderland*.
