Howard, Henry, artist. *Beatrice [Much ado about nothing, III, 1] [graphic] / H. Howard, R.A. pinx. ; S. Sangster, sculp.* London: John Sharpe, publisher, 1828. Folger ART File S528m6 no.25 copy 1 (size XS)

In this engraving of Act 3, Scene 1, Beatrice overhears Hero and her maid Ursula discussing Benedick's devoted love for her, mirroring Don Pedro's sleight of hand in Benedick's favor. Inspired by their eavesdropping, Beatrice and Benedick begin to pursue each other.
