

Wassermann, Adriana Luiza. Lecturi Particulare [Manuscript notebook of drawings and synopses of world literature with dated criticism from a tutor]. Romania: 1951-1953. Folger W.a.264.

While schoolgirl Adriana Wassermann completed her assignments in this notebook containing synopses of and reflections on Shakespeare's plays, she also illustrated those assignments with quintessential images of Shakespeare's plays, like the balcony scene seen here. Wassermann was 16 or 17 in the early 1950s and living in Romania when she completed the drawings, which are interspersed with responses from her tutor.
