

# Evidence Based Acquisition (EBA) 2023/24 from Cambridge University Press

## Offer to Bayerische Staatsbibliothek consortium – 1-year EBA

Available nationally for Germany and Austria.

Any time start during 1 October 2023 – 30 September 2024.

- EBA grants institutions access to frontlist and backlist ebook content available on Cambridge Core providing access to over 50,000 ebooks. You can choose among Full, HSS and STM collections and have the option to add on Cambridge Companions and Cambridge Histories.
- On average 1,100 titles are added every year including titles from Partner Publishers.
- Cambridge Core provides unlimited user concurrency and is DRM free.
- EBA customers benefit from monthly metadata and quarterly usage statistics. The institution decides which titles to keep in perpetuity based on the usage data provided at the end of the 12-months period.
- EBAs are covered by a perpetual access license via the BSB. Institutions can place an EBA order at the below prices with any time start date.
